

Making a 'how-to' video

For your next presentation, you will work with your partners to make a 'how-to' video.

1. Visit www.videojug.com and find an interesting video. You can browse the channels to look for topics you are interested in, or use the search box.
2. Assess one of the videos. Answer the following questions to discuss in the next class.

Video Title:

Video Maker:

Summary:

What did you learn?

What information would you add?

What was good and bad about the production?

What did you think of the presenter?

3. Decide on a topic you would like to cover. Think about props, location, script, camera angles and presentation style. Make notes.
